Friday 11th December – Term 4 Final

2015 Close and 2016 Ahead

Merry Christmas and Happy Holidays.
Time to Rest, Restore and Rejuvenate.

2015 has brought its challenges, its highs and lows and successes. Together we can learn from life’s experiences.

To those we say goodbye to: Joe Tropea, Amy Martin, Lani Anthony, Ann Wooden and Sue McCulloch. We thank these teachers and teacher aides for their contribution to our school community.

Thank you so much for the hard work and effort students, families and staff to help us be the best school we can be. The next step will occur in 2016 delivering the first year of our next Quadrennial Strategic Plan.

CHRISTMAS RAFFLE - 2015.

*****The Christmas Raffle*****

This year the P&C were able to offer 3 Christmas hampers because of the generous donations from our school community….and….4 family day passes to the theme parks - seven prizes in all!

Congratulations to the following winners:- Hayden King, Liam Fahey, Rohan Harvey, Alexander Gibb, Jonah Osman and Jason Parker-Sundell who won 2 draws.

Through the sale of the raffle tickets and extra cash donations, we raised $548 which will, in some way, benefit our students. Thank you for your support.

On behalf of the P&C, we wish everyone a safe, happy and joyous Christmas and a fabulous New Year. We look forward to working for you next year and invite parents, carers, grandparents, family or friends to join the P&C in 2016. Your participation is most appreciated and an important way to support our school, staff and students.

If the ordered uniforms arrive before the 27th January, 2016 (as we would hope) we will contact you via phone or Facebook. Remember payment is by cash.

Ho! Ho! Ho!

Tis the season to be jolly, Kindest regards, Margaret
